

## Chamber Chatter

### Business of the Month

WESTconsin Credit Union is excited to announce their new office in Baldwin, WI is now open. The credit union has been operating in the Baldwin community since 1979.

The new office, located at 1050 Cedar Street, will provide members with additional space, equipment, and technology, and the same staff and services they have come to expect and appreciate from WESTconsin Credit Union. "As a company, we took our time to get to know our members and the Baldwin community over the past 44 years. When the opportunity arose, we consciously and skillfully blended the wants and needs of our members with our mission and

growth plan as a credit union," said Jason Klopp, Vice President of WESTconsin Baldwin Office. "Though, rest assured, the small town, member focused service and excellence remains our top priority."

The new office was constructed in under one year with help from area companies River Valley Architects and Hoeft Builders. The old Baldwin office is now permanently closed. For more information on the office relocation, please visit [westconsin.org](http://westconsin.org). A grand opening celebration and ribbon cutting is planned for May.

WESTconsin Credit Union has been serving members since 1939, and membership is open to anyone who lives or works in the Wisconsin counties of Barron, Buffalo, Burnett, Chippewa, Clark, Dunn, Eau Claire, Jackson, Pepin, Pierce, Polk, Rusk, St. Croix, Sawyer, Taylor, Trempealeau, and Washburn, or the Minnesota counties of Anoka, Chisago, Dakota, Goodhue, Hennepin, Isanti, Pine, Ramsey, Scott, Wabasha, and Washington, with a \$5 minimum deposit in a Membership Savings Account. Credit unions are financial institutions owned by their accountholders, and member funds are federally insured by the National Credit Union Administration (NCUA) up to at least \$250,000.

### Welcome, New Member!

Located in the heart of Roberts, Topstitchery is your full service, affordable quilt experience. From beginning to end we have you covered. If your business is interested in hosting, send us a message and we can get a calendar going.

## Register Now!

Sponsorship opportunities are now available on our website. Must be registered by May 5th!

Check out all our member and chamber events, in one spot!

## April is Financial Literacy month!

It's a great reminder of the importance of using a budget to manage your finances and achieve your goals. So, in the spirit of becoming more financially proficient, we'd like to offer some steps you can follow to create or improve your budget:

1. **Determine your income:** Calculate all the money you receive each month from your job, side hustles, investments, and other sources.
2. **List your expenses:** All monthly payments, including rent/mortgage, utilities, groceries, transportation, entertainment, and other recurring costs.
3. **Categorize your expenses:** Categorize your expenses into fixed costs (such as rent and utilities) and variable costs (such as entertainment and dining out).
4. **Prioritize your expenses:** Determine which costs are essential and which ones you can live without. Prioritize necessary expenses and look for ways to reduce or eliminate non-essential expenses.
5. **Set financial goals:** Identify your short-term and long-term goals, such as saving for a down payment on a house or paying off credit card debt.
6. **Allocate your income:** Allocate your money to cover your expenses and achieve your financial goals. Make sure to include savings and investments in your budget.
7. **Monitor your budget:** Monitor your spending regularly to ensure you stick to it and adjust as

necessary.

Getting started with a budget is often the most challenging part. Once you've done it, follow through and make updates as necessary to achieve your financial goals. And if you need any help at all, give us a call!
