Chamber Chatter

Welcome, New Members!

Please join us in welcoming St. Croix Roofing to the Central St. Croix Chamber of Commerce!

Locally owned and operated, St. Croix Roofing proudly serves the Twin Cities East Metro and Western Wisconsin areas. With decades of industry experience, they specialize in both residential and commercial roofing—offering quality craftsmanship, honest communication, and a strong commitment to customer satisfaction.

Their fully licensed and insured team is dedicated to dependable service rooted in community values. We're thrilled to have them as part of the Chamber and look forward to the connections and expertise they bring to our local business network.

We're pleased to welcome Murtha Sanitation to the Central St. Croix Chamber of Commerce!

Proudly serving Greater St. Croix County for over 30 years, Murtha Sanitation provides reliable residential and commercial trash and recycling solutions. Their core services include residential curbside pickup, scheduled dumpster service for homes and businesses, and roll-off dumpsters for larger home or job site clean-up projects.

They also offer Bulk Drop-Off and Appliance Recycling, open to the public every Tuesday from 8:00 AM to 4:00 PM at their Baldwin Transfer Station.

With decades of dependable service behind them, Murtha Sanitation is committed to keeping our communities clean and running smoothly. We're excited to have them as part of the Chamber!

Board Meeting Reminder & Call for New Board Members

As a reminder, the Chamber Board meets at 8:00 AM on the third Thursday of each month at the Hazel Mackin Library in Roberts. These meetings are open to all members, and we welcome anyone interested in learning more about how the Chamber operates or getting involved behind the scenes.

We're also actively looking to recruit new board members, as we will be saying farewell to two of our current members later this year due to term limits. Serving on the Board is a great way to build relationships, help guide Chamber initiatives, and play a meaningful role in our local business community.

If you've ever considered taking a more active role in the Chamber, now's the perfect time to raise your hand! Not sure what's involved? Come sit in on a meeting or reach out—we'd love to tell you more.

Protect Your Organization. Empower Your Team.

Can you believe it's August already?!?
We hope you have enjoyed the heat and spending long sunny days with those you love.

As families gear up for Back to School, here is a spending statistic for you: The average family will spend \$570 per student on Back-to-School shopping. This doesn't include lunch money, school pictures, haircuts, or clearly not college tuition.

Education costs are on the rise and if you are a parent or grandparent, taking advantage of time is the secret! Opening an Education Account for your child/grandchild as early as possible can be a game changer when it comes time for little Johnny or Susie to start post-secondary education.

WhiteCap Financial Advisors can help with establishing 529 College Savings Accounts, and various other financial account options for minors. Please contact us at www.whitecapfa.com to schedule a no-cost, no-obligation meeting today!

**We're getting ready
to ROCK THE
BLOCK September 18-20
in River Falls!**

Rock the Block is a multiple day project aimed at helping a neighborhood become the center of a healthy

community, by partnering with community members to coordinate revitalizing improvements, and working with volunteers to make those improvements come to life.

This Rock the Block project is a collaborative effort with the Kinnickinnic River Land Trust, the U.S. Fish and Wildlife Service, Bailey Nurseries, University of Wisconsin-River Falls, Willow River Company, the Eco Village Homeowner's Association and St. Croix Valley Habitat for Humanity that is designed to improve the green spaces surrounding the Village community for all to enjoy. It will include placement of a permanent trail along the Oak Savanna on the East side of the Village, with a focus on the planting of fruit trees as well as low-maintenance native grasses and flowers - benefitting the community, the Kinnickinnic watershed, and its wildlife!

This project will mainly consist of planting, and we need plenty of hands to get it done! Sign up at <https://vhub.at/SCVHFHRocktheBlock>

(Sign up by Sept 1 and you'll be guaranteed a Rock the Block shirt!)
