Highlights from the Chamber's Annual Dinner

The Chamber's Annual Dinner was a night to remember, bringing together nearly 100 attendees for an evening of celebration, recognition, and community spirit. With almost 20 sponsors supporting the event and 20 generous raffle basket donations from our members, this was one of our largest and most successful gatherings yet! Held at Ready Randy's, the evening featured exceptional food and service in a fantastic venue. Guests enjoyed stunning floral arrangements from Blooms for Happiness, fun and vibrant balloon decor from What's Poppin', and an entertaining photobooth experience provided by Photog Entertainment.

A major highlight of the evening was the announcement of our Paradise Pick winners, where the community voted on their favorite businesses across 10 categories. We also took the opportunity to recognize the champions of our Bloody October Bloody Mary contest. Barnboard Grill and Saloon took home the award for Best Taste, while Schuggy's American Grill and Taphouse won for Best Presentation.

The Chamber also honored individuals and businesses that have made a significant impact in our community. Paula Nourse was named Board Member of the Year, and Topstitchery received the prestigious Business of the Year award for their outstanding contributions.

A huge thank you to AK Events for orchestrating a seamless and enjoyable evening. As we look ahead to 2025, we are excited to continue our momentum, especially as we have already welcomed four new members this year! Thank you to all who attended, sponsored, and contributed to making this event such a success. Here's to another year of growth and prosperity for our Chamber and community!

Chamber Scholarship Opportunities

The Chamber is proud to offer two \$1,000 scholarships to support further education for individuals in our community. Here's what you need to know:

- You don't need to be a high school senior to apply! The scholarship is open to students of any age pursuing post-secondary education in any major.
- If you or your child are employed by a Chamber member business, you are eligible to apply! This opportunity extends beyond business owners to employees and their families.
- Priority is given to applicants who demonstrate community involvement.
- Past recipients are encouraged to apply again.

How to Apply

Applicants must submit a completed application, including background information and short essay responses (maximum two pages, double-spaced). Handwritten essays will not be accepted.

Applications will be reviewed by the Chamber selection committee, and winners will be recognized by the Chamber President and featured in local media.

Scholarship funds are awarded after the recipient completes one semester of post-secondary education. To receive the funds, the winner must provide proof of enrollment for the next term or a transcript from the completed term.

If you or your child meet the criteria, we encourage you to apply and take advantage of this fantastic opportunity!

Get Involved with the Chamber – Join Us at a Board Meeting!

Ever wondered what goes on behind the scenes at the Chamber? Now's your chance to find out!

Our Board meets at Parkside Restaurant on the 3rd Thursday of each month at 3:00 PM, and we'd love for you to join us. Whether you're curious about how decisions are made, looking for ways to get more involved, or considering a future leadership role, this is a great opportunity

to see what it's all about—no strings attached!

If serving on the Board isn't the right fit, you might enjoy becoming a Chamber Ambassador, helping to connect and grow our business community in a different way.
We hope to see you at our next meeting!

March is Women's History Month and a chance for us to celebrate the trailblazing women who have contributed to our history, culture, and society! We also celebrate the women in our own community who are impactful and inspiring us all today. Here are some facts regarding women and financial thoughts to consider:

- Women worry more they will never be able to retire, but are not risk averse. Women often take more risks if they understand what they are getting into first.

Ladies, we want to hear your goals, understand your feelings, and provide education. This will help you build financial confidence and take action.

- Women are making unbelievable strides in the professional world: HALF of the college-educated workforce are women! *Ladies, what does YOUR financial plan look like? Be an active part of discussions, direction and decision-making!*
- On average, American women live nearly 6 years longer than men; consequently, women make up more than 70% of nursing home residents. *Ladies, what is your long term healthcare plan?*
