Summer Networking is Brewing!

We're keeping the connections flowing with two more Java Jumpstarts this summer—and the next one is just around the corner!

These casual morning meetups are the perfect way to kick off your day with coffee, conversation, and community spirit. No agenda, no pressure—just an hour to network and build relationships with fellow Chamber members.

Next Up:

- ☐ Tuesday, July 15 at Hazel Mackin Community Library
Hosted by AK Events & Hazel Mackin Community Library
- ☐ Monday, August 18 at Hammond Community Library
Hosted by Hammond Community Library

Java Jumpstart begins at 8:00 AM and wraps up by 9:00 AM. Whether you're a longtime member or brand new, we'd love to see you there!

New Time, New Place - Join Us!

Beginning this month, the Chamber Board will meet at Hazel Mackin Community Library in Roberts on the 3rd Thursday of each month at 8:00 AM and we'd love for you to join us.

Whether you're curious about how decisions are made, looking for ways to get more involved, or even considering a future leadership role, this is the perfect opportunity to see what it's all about—no strings attached.

Not sure Board service is for you? You might enjoy becoming a Chamber Ambassador, helping connect and grow our business community in a different way.

**Next Meeting: Thursday, July 18 at 8:00 AM
Hazel Mackin Community Library | Roberts, WI**

We hope to see you there!

Congratulations to our Scholarship Recipients

The Central St. Croix Chamber is proud to recognize **Amanda Swanson**, Director of Children and Family Ministries at Cross Lutheran Church in Roberts, as one of this year's scholarship recipients. Amanda is currently pursuing her Master of Divinity at Luther Theological Seminary, with a passion for nurturing the spiritual well-being of the local community. Whether serving in the parish or offering care in hospice settings, she plans to use her education to support and uplift those around her. Congratulations, Amanda! We're inspired by your dedication and can't wait to see the impact you'll continue to make.

The Central St. Croix Chamber is excited to recognize **Lillian Benzer** as one of this year's scholarship recipients.

This fall, Lillian will attend the University of Wisconsin–Eau Claire, where she plans to pursue a degree in Communication Sciences and Disorders. With a heart for serving others, Lillian hopes to use her education to support individuals facing communication challenges and break down the stigma surrounding their disorders. She is especially passionate about working in school settings and with individuals with special needs to help them develop their communication skills.

Congratulations, Lillian! We're proud to support your journey and can't wait to see how you'll make a difference in the lives of others.

Happy Independence Month...in more than one way! July marks **Financial Independence Month** ~ what does that mean, you ask?

While there is no absolute definition of what financial independence means, essentially, it's the ability to live **free** of financial stress. What that looks like to you may be different than to someone else.

It's less about "winning the jackpot" and more about making smart decisions on an everyday basis.

Here are 3 components to assist in the process:

1. **Understand your cash flow and build a budget that works .**
2. **Eliminate debts that drag down your financial health.**
3. **Take your savings to the next level with the right investments.**

A key step in becoming financially independent is taking advantage of valuable financial resources. Part of living financially "free" is having the right people in your corner to help navigate life's highest peaks and roughest seas. If you are looking for less financial stress, would like a fresh perspective on your current financial strategy, or maybe need a little more encouragement, please schedule a no cost, no obligation with us today!
