New Year...New Goals!

“A goal without a plan is just a wish” ~
Antoine de Saint-Exupery

As those credit card bills start rolling in from Christmas, many of us feel compelled to review (or establish) our budgeting habits!

It is customary to set goals, make resolutions, and perform assessments; but how many after a month or two fall back into previous patterns? It's hard to build and stick to a financial plan because sometimes starting TOO big is the problem or realism is hard to face.

Having a discussion with a trusted financial advisor can help with not only getting started, but also in helping you stay on track the whole year through. January is National Financial Wellness Month.

Attention and preventative care can go a long way in both your physical and financial health. Schedule your appointment today with WhiteCap Financial Advisors! www.whitecapfa.com

St. Croix Valley Habitat for Humanity 2026 Gala – 30th Anniversary
Saturday March 28
5:30 PM – 9:30 PM

Join us for a very special gala, celebrating St. Croix Valley Habitat for Humanity's 30th anniversary!

On March 28, join us in celebration of 30 years of creating affordable housing in Pierce and St. Croix counties at our 5th annual gala – Foundations of Hope: 30 Years of Building Together.

Hosted at beautiful Kilkarney Hills Golf Club, guests can expect an elegant evening commemorating 30 years of building community, hope, and connections. As a guest, you will have the chance to make a lasting impact by bidding in our exciting live and silent auctions, taking part in a wine pull, and teaming up with your table to win the dessert of your dreams from our mouth-watering Dessert Dash lineup!

We're building a home for a healthcare worker in 2026!

Access to affordable housing is critical to maintaining a strong healthcare workforce. Unfortunately, in many places in the United States, essential healthcare workers are unable to find housing they can afford near their workplaces.

In November, we accepted a generous donation from Western Wisconsin Health: a parcel of land in Baldwin, to support construction of future Habitat homes for families in need. This partnership is aimed at improving community health by expanding access to safe, stable, and affordable housing. **As part of the collaboration, our gala will focus on raising funds to build a home on the donated land for a qualified healthcare worker.**

Registration and more information can be found at onecau.se/Celebrate30 (Registration is open through March 15.)

- Individual Ticket: \$75**
