Java Jumpstart: July Networking Gathering

Join the Central St. Croix Chamber of Commerce for Java Jumpstart, our monthly morning networking gathering designed to help local professionals connect in a relaxed and welcoming setting.

This casual event is a great way to meet other business owners, community members, and local professionals without a formal presentation or packed agenda. Each attendee will have a brief opportunity to introduce themselves and share a little about their business or organization.

Join us this month:

Thursday, July 9

8:00 AM

WESTconsin Credit Union – Baldwin

Whether you're a regular attendee or considering joining us for the first time, Java Jumpstart is an easy way to build relationships and stay connected within the Roberts-Hammond business community.

The Chamber is also **seeking sponsors for future Java Jumpstarts**. Sponsoring is a great way to support local connection while gaining visibility for your business.

***Please note: Due to a scheduling conflict, this month's Java Jumpstart will be held at WESTconsin Credit Union in Baldwin instead of our usual location of Hazel Mackin Community Library*

It's the month of *Independence* ...

What's your definition of Financial Independence?

The unofficial meaning at its core is the liberty to live as you want, free of financial stress; but that can look different for everyone.

Deciding what that picture looks like for you is step #1!

What choices are you making today that will assist you in achieving your goals?

While financial independence does not happen overnight, we would love the opportunity to come along side you to guide and support you on your journey.
