### Sponsorships close Friday, February 6

Sponsoring the Annual Dinner & Awards is a great way to support the Chamber while gaining visibility during one of our biggest events of the year. From top-tier recognition to community shoutouts, sponsorships help make this night possible — and memorable.

If you've been thinking about riding along with us as a sponsor, now's the time to secure your spot.

We're also still accepting raffle basket donations. These contributions add an extra layer of fun to the evening and help make the night even more special. While February is the shortest month of the year, it is often one of the most productive.

Schedules seem to slow down from the holidays, goals are being put into action and priorities feel clearer. February holds Valentine's Day and feelings of appreciation. It is an excellent time to celebrate people and things that matter most whether that is through donating your time, your talents, or your resources to those you care about or causes near to your heart!

Speaking of appreciation, we appreciate this community and the opportunity to serve you in attaining your financial goals.

Tax documents have been or will be received shortly. If you have questions/concerns prior to filing your taxes, please reach out for a no cost, no obligation meeting.

We'd love the opportunity to make February one of *your* most productive months this year! [www.whitecapfa.com](http://www.whitecapfa.com)
