Chamber Chatter

Java Jumpstart: Coffee, Conversation, and Community Connections

Join the Central St. Croix Chamber for Java Jumpstart, our monthly morning networking gathering designed to help local professionals connect in a relaxed and welcoming setting.

This casual event is a great way to meet other business owners, community members, and local professionals without a formal presentation or packed agenda. Each attendee will have a brief opportunity to introduce themselves and share a little about their business or organization.

**Join us this month:
Thursday, June 11
8:00 AM
Hazel Mackin Library – Roberts**

Thank you to Hazel Mackin Library for hosting and to Croix Coffee Co. for providing coffee and a morning treat.

Whether you're a regular attendee or considering joining us for the first time, Java Jumpstart is an easy way to build relationships and stay connected within the Roberts-Hammond business community.

The Chamber is also seeking sponsors for future Java Jumpstarts. Sponsoring is a great way to support local connection while gaining visibility for your business.

*Please note: Due to a scheduling conflict at the library, this month's Chamber **Board Meeting** has been moved to Thursday, June 25 at 8:00 AM at Hazel Mackin Library in Roberts. We appreciate everyone's flexibility!*

Scholarship Recipients Lead with Service, Purpose, and Heart

Scholarship recipient, **Lilly Peterson**, stood out for her strong commitment to service, leadership, and agriculture.

She has held leadership roles in 4-H, FFA, and the Wisconsin Junior Holstein Association, where she has helped organize service projects, fundraising efforts, and opportunities for younger members. Her volunteer work also includes supporting veterans through the Baldwin American Legion Auxiliary, placing flags on veterans' graves, helping collect coffee and supplies for Klein Hall, and volunteering with Windmill Days.

This fall, she will attend the University of Minnesota Twin Cities to double major in Animal Science and Agricultural Communications and Marketing. She plans to continue advocating for agriculture while giving back to the organizations and communities that helped shape her.

Scholarship recipient, **Morgan Munro**, stood out for her compassion, service, and quiet leadership.

She has been involved in choir, soccer, National Honor Society, youth group, Hudson Leo's Club, and community volunteer efforts, including the Backpack Program, community meals, hospital blanket donations, local fundraising, and service projects. As Vice President of the newly founded Hudson Leo's Club, she has helped support a variety of efforts that give back to the community.

This fall, she will attend the University of Wisconsin-La Crosse to pursue a degree in Radiologic Technology. Inspired by her passion for healthcare, shadowing experiences at Western Wisconsin Health and Hudson Physicians, and a desire to comfort patients during difficult times, she hopes to use her education to serve others with kindness and care.

Golf Outing Brings Fun, Sunshine, and Community Support

The Central St. Croix Chamber of Commerce had a wonderful day on the course for this year's golf outing, with 20 teams joining us for a full day of fun, networking, and friendly competition — including plenty of familiar local faces.

After what felt like a long wait for true spring weather, we were grateful to finally enjoy a beautiful day at Hammond Golf Club. The course was full, the energy was high, and our golfers made the most of a great day together.

One of the biggest highlights of the outing was the incredible support shown for the Roberts-Hammond Community Food Pantry. Thanks to the generosity of our golfers, sponsors, and community members, we collected an amazing 601 pounds of food.

A special congratulations goes to Hannah Otto, winner of the Blackstone griddle generously donated by M2 Insurance. Hannah brought in 100 items herself — a pantry powerhouse, if we've ever seen one.

We would also like to extend a special thank you to TopStitchery, Citizens State Bank, and St. Croix County Fair Inc. for bringing extra entertainment and fun to the course with their hole activities.

Thank you as well to Parkside Restaurant & Bar for providing lunch, Carbone's Pizzeria Roberts for the post-golf snack, and Hammond Golf Club for being such gracious hosts.

Most of all, thank you to everyone who golfed, sponsored, donated, volunteered, and helped make this event a success. This outing continues to be a wonderful example of what makes our Chamber community so special.

Celebrate Many Paths to Recovery with Western Wisconsin Health

RIBBON CUTTING

MANY PATHS TO RECOVERY

MONDAY, JUNE 15 | 3:30 PM

WWH EATERY PATIO

1100 Bergslien Street, Baldwin, WI 54002

Western Wisconsin Health has launched **Many Paths to Recovery**, a holistic and trauma-informed Substance Use Disorder (SUD) treatment program designed to support individuals through compassionate, coordinated care.

WESTERN WISCONSIN HEALTH

Please join Western Wisconsin Health as they celebrate the launch of Many Paths to Recovery, a new Substance Use Disorder treatment program designed to support individuals on their recovery journey.

Networking will begin at 3:30 PM, followed by a ribbon cutting ceremony at 4:10 PM.

Weather permitting, the event will be held on the Western Wisconsin Health Eatery patio. If needed, the celebration will move indoors to the atrium near the Health Shop Pharmacy.

Community members, Chamber members, and local partners are encouraged to attend, connect, and help celebrate this important new resource for our area.

Building a Bright Future: Celebrating Community Growth in Hammond

Congratulations to the **Hammond Public Library** on the grand opening of their beautiful new space!

Designed to support learning, connection, and community, the new library offers light-filled reading areas, flexible gathering spaces, and a welcoming environment for residents of all ages.

This milestone represents more than a new building — it is an investment in knowledge, creativity, opportunity, and the future of the Hammond community.

Thank you to everyone who joined in celebrating this special occasion. We are excited to see the Hammond Public Library continue to grow as a vibrant hub for inspiration, learning, and connection for years to come.

The Bright Future Solar Array is bringing clean, renewable energy to the regional power grid right here in Hammond.

Located just west of the **St. Croix Electric Cooperative** headquarters on Engineer Way, the 2.5 to 3.0-megawatt project was developed by OneEnergy and supported by St. Croix Electric Cooperative.

The Central St. Croix Chamber of Commerce was proud to mark this exciting milestone with a ribbon cutting on June 1, celebrating a project that reflects continued investment in sustainability, innovation, and the future of local energy.

Community members interested in learning more about green energy initiatives or available solar subscription options are encouraged to visit the St. Croix Electric Cooperative website.

School's out for Summer!!

Doesn't the world just "come alive" as soon as we get warm, sunny days?!?

Graduations from High School and College have occurred and those young adults are beginning new adventures.

Summer vacations are being planned or are in motion: exploring new places, seeing new things, making lasting memories.

Celebrations such as Father's Day, Flag Day, and our beloved Good Neighbor Days will all be had this month.

While it may not be as much fun to celebrate, there is another date this month to recognize, June 28th, "National Insurance Day". Take a day to assess your needs and protect what matters. Its significance safeguards your financial well-being. It's a day that recognizes the importance of insurance coverage. It reminds us to assess risks, protect our assets, and enjoy peace of mind knowing coverage is in place for the unexpected. Who wants to worry about the unexpected when there is so much SUMMER to enjoy?

Happy Summer!

Get Involved in National Night Out

Cross Lutheran Church is excited to host this year's National Night Out in Roberts as part of their commitment to building a stronger, more connected community.

As members of the Central St. Croix Chamber of Commerce, Cross Lutheran values opportunities that bring neighbors, local organizations, businesses, community groups, and first responders together in meaningful ways.

National Night Out is all about community — creating a welcoming space where people can connect, have fun, and build relationships. This year's event will include an evening of fellowship, food, activities, and community engagement.

Local businesses, organizations, community groups, and volunteers are invited to get involved by hosting a table or activity, sponsoring food or supplies, providing giveaways or prizes, helping with games or children's activities, volunteering during the event, or sharing information about their organization and services.

This is a wonderful opportunity to meet community members, support local connections, and help make our town an even better place to live and serve.

Cross Lutheran Church looks forward to partnering with the community to make this year's National Night Out a success. If interested please contact [Amanda](#).

June Dairy Month

Celebrate with us!

June 1–27, 2026

We wouldn't be WESTconsin without our farmers and agricultural workers. This June Dairy Month, we're proud to celebrate our roots by giving back to our farming community and members!

- ✓ **Giveaways**—Enter for a chance to win either a \$20 Ellsworth Creamery Gift Card or two (2) general admission tickets to the Northern Wisconsin State Fair with a Foam Cheese Head.
- ✓ **Thank a Farmer Cards**—Fill out a card and show your appreciation for your local farmers (and cows)! These cards will be given to the Wisconsin Farmers Association for their farming members.
