## Back to School Prep

Whether you have Pre-School, Elementary, Middle or High School aged child(ren) or grandchildren, August is filled with the buzz of Back-to-School excitement! For some, August is a time of reflection and possibly angst when assessing your preparedness of higher education expenses. Have we saved enough? How do we start if we haven't already? What options are out there and available for parents and grandparents to start saving for their loved ones' higher education expenses? As you enjoy the rest of what Summer brings, pencil in some time to let us help you in setting your student up for success!

Contact us at 715-760-9001 or email [brandon@whitecapfa.com](mailto:brandon@whitecapfa.com) to schedule a free, introductory meeting...bring the kids, it's never too early or too late to teach them the importance of financial education and planning for their future.
