From one small business to another, we want to thank all the small businesses in our community especially in the month of May as we celebrate National Small Business Week! WhiteCap Financial Advisors would like to offer a free, no obligation meeting to all Small Business Owners to help with your personal and/or business financial goals.

We know as a small-business owner, figuring out retirement choices can be a little intimidating. How do you pick the most appropriate retirement plan for your business as well as your employees? The three most popular are Simple IRA, SEP IRA and 401(K). Which is best for you and the people who work with you?

Did you know that May is also National Disability Awareness Month? Preparing for the unexpected, especially when you own a small business, is prudent but often dismissed. Let's discuss all avenues of your Small Business by calling 715-760-9001 today!
