Chamber Chatter

Congratulations to the Family Resource Center

With the communities' support, FRCSVC has improved the building at 857 Main Street in Baldwin. The plan included replacing facade including new exterior finishes, new flooring, replacement of the wood floor in the program room with softer carpet tiles for improved functionality when working with children in the space, wall repair, painting, doors, glass & glazing and replaced ceiling tiles. This project has also given staff the opportunity to utilize the back of the building with improved roof drainage and access to parking at the rear of the office.

Cards will be on sale soon!

Mr. Franklin makes it sound so simple! But he's right...

In the month of September, we focus on TWO ways of being **financially planful**.

First, September is Life Insurance Awareness Month. It is important to plan for the unexpected. Maybe you have no life insurance yet, or maybe you need to re-assess your coverage.

September is also College Savings Month. Whether it is for your children, grandchildren, or great grandchildren, the cost of higher education is ever increasing. Planning for their future is a great gift of love. Additionally, we want to help **you** make, work, and review your overall financial plan of life.

Take the first step by scheduling a free, no obligation meeting with WhiteCap Financial Advisors!

Seeking Chamber Board Members

Is Board service is for you? Come to a meeting! We meet at Parkside Restaurant the 3rd Thursday of each month at 3:30pm. If you decide it isn't your cup of tea, maybe you'd like to be a Chamber Ambassador. We hope to see you at our next meeting!
